**MISSION  
AUSTRALIA** *together  
we stand*

Winter is a difficult time of the year for most. The rate of interest in many things fade while the rate of depression increases. Our bodies tend to ache more and our desire for outside interaction lowers to almost zero...like the temperature. However, for many in Australia who live on the street, Winter offers no options but to continue to deal with their situation only under more trying circumstances. This year, Wenty Youth have decided to raise support for Australia's homeless by joining in a **Winter Sleep Out Event**, raising money for **Mission Australia** in their efforts to combat Homelessness in Australia. On **Friday August 28**, Wenty Youth will bear the cold in Pastor Rick's backyard for a night. He will be making things as close to real for the youth so as to give a real impression of the state of affairs for homeless men, women and children in Australia. They are asking for our support financially in

their efforts to bring changes and awareness to the plight of the homeless. If you have access to the internet, please follow this link,

If the internet is not an option but you'd like to donate to this event you can speak to anyone who can access and I'm sure they'd be happy to take your money and then make the donation for you. Please support Wenty Youth as they Sleep Out for the homeless.

### PRAYER & PRAISE

- **IB PEOPLE:** Pray for Mick and Tara as they continue their language studies and seek to gain a deeper cultural understanding of the IB People. Pray that smooth communication in the local language will provide opportunities to build personal relationships, including friendships and playmates for their children. Pray that God's presence will be felt in these times of isolation in a new culture.
- **YAO:** Praise God with Gam and Kath who along with their children are enjoying the transition back to life in Australia while on home assignment. Pray for peace and provision as together we seek to raise significant financial support before their return to Mozambique. Please continue to pray for a good resolution to the ongoing difficulties acquiring visas and registration so that the team can continue their ministry among the Yao.
- **ETHNIC THAI:** Join with our candidates Glenn and Liz in praying for balance as they juggle studies, church responsibilities and family as they journey towards cross-cultural service in Thailand. Pray particularly that they will continue to know God's presence at the centre of their lives and be able to create adequate time for rest and meditation on God's Word in the midst of their commitments.
- **K PEOPLE:** Join with Ken and Roz praying for their friend and language nurturer, Kabeera, whose mother-in-law passed away. Pray that God's love will speak through this time of mourning and for cultural sensitivity as they join with the K people carrying out burial rituals. Pray also for provision and protection for nearby K communities as they recover from a glacier melt which caused a large mud avalanche. 900 homes were damaged by two burst dams and debris from the natural disaster.
- Remember all those travelling to Global Interaction's Cultural and Language Conference, Team Leaders' Conference and Global Consultants' meetings in Thailand over the coming weeks. Pray for wisdom and direction for our leaders and facilitators as they spend time together in reflection, planning and looking at strategic goals. Pray all attending will be refreshed and further equipped to share Jesus among the least-reached people groups in Asia and Africa.
